BIPOLAR DISORDER?

The UCSD Department of Psychiatry is seeking volunteers for a research study involving genetics and medication response in Bipolar Disorder.

You may be eligible to participate in the study if you:
*are at least 18 years of age
*have been diagnosed with Bipolar I Disorder
*are willing to take **LITHIUM** for mood stabilization

If you qualify, you will receive at no charge:
*a thorough interview for diagnosis
*study-related medical exams and psychiatric consultations
*study-related medications *laboratory evaluations *follow-up visits

Health insurance is not required.
Compensation for time and travel is provided

To learn more about the study, please call:
858-642-3590
